Cover Letter

Dear Hiring Manager,

I am writing to express my strong interest in the Intern position at Seagate, as advertised. As a recent graduate with a deep passion for Linux, troubleshooting, and Python, I am excited about the opportunity to contribute to Seagate's innovative team and further develop my skills in a professional setting.

My educational background in IT, along with my coursework and projects, has provided me with a solid foundation in Linux system administration and troubleshooting. I have hands-on experience working with various Linux distributions, and I am proficient in diagnosing and resolving technical issues. In addition, my expertise in Python allows me to automate tasks and enhance system management efficiency.

During my academic journey, I consistently demonstrated my ability to quickly adapt to new challenges and find effective solutions. What excites me the most about Seagate is its reputation for excellence and innovation in the technology industry. I am eager to learn from the experienced professionals at Seagate and apply my knowledge to real-world scenarios.

I am highly motivated, quick to learn, and enthusiastic about the opportunity to contribute to Seagate's success as a Linux Intern with Python expertise. I am eager to start my career journey at Seagate and contribute to the company's mission.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and qualifications align with Seagate's goals in more detail. Please feel free to contact me at +91 8799878583 or saadiqbal1921@gmail.com to schedule an interview.

Sincerely,

Mohammad Saad
